Only designated Underdog Heroes staff shall approve and place rescued animals into foster homes. The Foster Coordinator must be notified as soon as possible of any changes in the status of either the animal in your care or the foster home environment you have indicated above.

All animals placed in foster care will be examined, will have been given/will be given all necessary immunizations and will have been/will be scheduled to be spayed or neutered.

All basic medical expenses will be covered by Underdog Heroes. Authorized Underdog Heroes staff must approve any unusual expenses. Basics include: Spay/neuter, age-appropriate vaccinations, heartworm test, FeLV/FIV test, microchip, and prescribed medications. Fosters are required to get Underdog Heroes staff approval to transport the animal to the emergency clinic prior to transportation.

All basic supply expenses will be provided by Underdog Revolution. Basic supplies include: Dog- crate, collar, tag and leash, food, and some toys. Cat- crate, food, litter, litter box, and toys. Because each home is set up differently, exercise pens, confinement systems and scratching posts are available to fosters if supplies are available. All supplies must be returned when the foster animal is returned for adoption.

Foster animals are to be kept clean and sanitary for their health and wellbeing. Supplies with which they are housed and/or contained in, such as x-pens, crates, blankets and beds, should also be kept clean and sanitary for the same reason.

Fosters are expected give the Underdog Heroes animal safe and adequate housing and care. An Underdog Heroes foster dog must wear his/her ID Tag at all times (except underage puppies who do not go home with collars) and must be on a leash or in a secure pet carrier when outside of its foster home or its enclosed yard. Dogs should not be left alone, outside unsupervised. During transport, the rescued animal must ride inside the car. An Underdog Heroes foster cat must live indoors only. The foster coordinator must be notified immediately if the animal in your care is injured or missing.

Fosters are expected to follow medical and/or behavioral plans set forth by UH staff. Fosters are expected to report any medical or behavioral concerns with 24 hours following appropriate channels and using the emergency protocols. Fosters are expected to use UH approved training only. Please feel free to ask for help if you encounter challenges.

Fosters are expected to care for the foster animal for the time agreed upon with the Foster Coordinator. If an emergency arises, please contact the Foster Coordinator to schedule a return to Underdog Heroes.

Legal ownership of all Underdog Heroes animals remains with Underdog Heroes until such time as proper adoption is completed. Only authorized representatives of UH will conduct adoption interviews and process adoptions, transfers or relinquishments. Fosters are expected to comply with the adoption process. If a foster home decides to adopt the animal, the regular adoption fee applies. If a foster finds a suitable adoptive home for their animal, they will contact the foster coordinator before the animal is returned to UH for surgery and the potential adopter through the Underdog Heroes foster application process.
